### What does AHCCCS Health Insurance cost you?

#### Premiums

**Most people do not have to pay a monthly premium for AHCCCS Health Insurance.** Some people with income too high to qualify for AHCCCS Health Insurance with no monthly premium may be able to get it by paying a monthly premium. If you have to pay a premium, the premium amounts are:

- \$10 - \$70 per household for children only
- 3% to 5% of the monthly household income for households with enrolled children and parents/stepparents
- \$10 - \$35 per person for employed people with disabilities

#### Co-payments

A co-payment is the amount you pay a health care provider when you receive a medical service. Co-payments for services are:

- Physician visits \$0 to \$1
- Non-emergency use of the Emergency Room \$0 to \$1

#### Enrollment Fees

Parents who have to pay a monthly premium must pay a one-time enrollment fee. The enrollment fee is billed with the first month's premium. The enrollment fees are:

- \$15 - \$25 per parent

### How does AHCCCS Health Insurance work?

If you are approved for AHCCCS Health Insurance, you will receive your health care from an AHCCCS Health Plan unless:

- You are Native American and you choose American Indian Health Program (AIHP) as your health plan
- You are just asking for help with your Medicare costs. If you are approved for one of the Medicare Cost Sharing programs, AHCCCS may pay your Medicare premiums and Medicare coinsurance and deductibles. This does not include Medicare Part D Prescription Drug program premiums, co-insurance and deductibles, and
- AHCCCS can only pay for your emergency services because of your status with the Bureau of Citizenship and Immigration Services. If you are approved for emergency services only, you may receive medical services from any provider (doctor, hospital, etc.) that has an agreement to bill AHCCCS for covered emergency services.

#### How Does a Health Plan Work?

- The health plan works with the health care providers (doctors, hospitals, pharmacies, etc.) to provide all AHCCCS covered services.
- The health plan will send you a member handbook once you are enrolled.
- You can call the health plan if you have any questions about your benefits or services or if you need an accommodation because of a disability or interpreter services. The phone number for your health plan's member or customer services can be found on your AHCCCS ID Card and in your Member Handbook.

#### Your Primary Doctor and Specialists

- You must choose your primary doctor or one will be assigned to you.
- Once enrolled, you will get a list of primary doctors in your area from the health plan.
- Your primary doctor will:
  - Take care of your health care.
  - Be the first person you go to for non-emergency medical care.
  - Be responsible for authorizing your non-emergency medical services.
  - Send you to a specialist when needed.
- You have the right to change your primary doctor at any time by calling your Health Plan's member or customer services.

#### How Can I Get Behavioral Health Services?

- You can go through your primary doctor, or
- Call the behavioral health telephone number on your AHCCCS ID Card.

#### What if I Have Medicare or Other Health Insurance?

- Be sure to tell your health plan that you have Medicare or any other health insurance.
- If your doctor does not contract with your AHCCCS health plan, your doctor must call the AHCCCS health plan to coordinate care or you may be responsible for any Medicare or other health insurance co-payments or deductibles.
- If you are in an HMO, you should pick a primary doctor who works with both your HMO and your AHCCCS health plan.
- If you have Medicare, your prescription coverage under AHCCCS is limited. You need to enroll in a Medicare Part D Prescription Drug Plan. To enroll in Part D or if you have questions about prescriptions, call 1-800-MEDICARE (1-800-633-4227) or go to [www.Medicare.gov](http://www.Medicare.gov) on the Internet. If you are eligible for AHCCCS, you will not have to pay a Part D premium and will have co-payments of \$5.00 or less.

#### Your AHCCCS ID Card

- Your AHCCCS ID Card has your unique AHCCCS ID number.
- Show the card when you get medical care (you may need to show a picture ID as well).
- Doctors, hospitals and pharmacists use your AHCCCS ID Card to obtain faster verification of your eligibility.
- Keep your AHCCCS ID Card with you at all times and keep it safe.
- Do not let anyone use your AHCCCS ID Card or you may be prosecuted.
